Dear North Historical War Games Society,

On Behalf of Gawler Community House, I would like to say thank you for your very generous donation of books. Each item that is donated to GCH is priced at a small fee to enable the Community preloved items at affordable prices. All money raised through GCH is put back into the community via several different pathways. This enables us to Help anyone in need, by supplying items, offering low-cost courses, free courses, social groups, community lunches, sausages sizzles and hampers and gift at Christmas time. This wouldn't be made possible without the generous donations we receive throughout the year.

I personally spoke to a gentleman this morning that purchased several your books, and he was not only thrilled with being able to have the opportunity to purchase he also informed me that every book he finishes comes back to GCH. This is more often the case.

On Behalf of GCH, Thank you!

Yours Sincerely,

Sharyn Lewis
